

# Fallon Health Weinberg Provider Tools

[fallonweinberg.org/providers](http://fallonweinberg.org/providers)

Fallon Health Weinberg's web-based provider tools give you access to member eligibility information and allow you to monitor and run important reports. Just go to **[fallonweinberg.org/providers](http://fallonweinberg.org/providers)** to reduce paperwork, save valuable time and improve communication—all at no cost to you.

#### **Eligibility verification**

- Verify that your patients are eligible for the date of service.
- Verify no member cost share.

#### **Referral monitoring report**

- View claims and member information for referrals that you have made.

#### **Claims metric report**

- Review your rejected claims with detailed reasons for rejection.
- Review reports online or download to your computer.

#### **Secure file transfers**

- Protect personal health information through secure transactions

#### **PCP panel reports**

- View members on your PCP panel, plus see additions and deletions to your panel.
- Review reports online or download to your computer.
