Addendum Dental Services: Copayments

This addendum is part of your Fallon Medicare Plus Evidence of Coverage.
Effective Jan. 1, 2024

This addendum provides you with the copayments that you're responsible for when you get covered dental care from a plan dentist. For a list of plan dentists, see the online Fallon Medicare Plus Provider Directory or Fallon Medicare Plus Central Provider Directory at fallonhealth.org/medicare, or call Customer Service at 1-800-325-5669 (TRS 711), 8 a.m.–8 p.m., Monday–Friday (Oct. 1–March 31, seven days a week).

Important: For comprehensive dental, including endodontics, extractions, oral surgery services in a provider's office (with the exception of the removal or exposure of impacted teeth), periodontics, prosthodontics, restorative services, oral/maxillofacial surgery, and other services to be covered, your doctor or other plan provider must get prior authorization (approval in advance) from the plan. Services that require prior authorization are noted with an asterisk (*). Some services have a shared frequency limit; please refer to Notes section at the end of this document for more information.
